

Trainer Notes

The **LG X venture** is a sleek, powerful device that's perfect for your business clients and their employees. No matter the profession, this device is a great tool—manual laborers may be drawn to its durability, while efficient multitaskers will appreciate the powerful performance.

Please make sure to check the **Presenter Notes**, as they provide additional information and usage examples.

Thank you for helping make the **LG X venture** a huge success!

TRAINING DECK 2017

UNCOMPROMISING
STYLE AND STRENGTH

X
venture™

LG ELECTRONICS MOBILECOMM U.S.A., INC. CONFIDENTIAL

Do your clients need a mobile device that's extremely powerful, built to last, and tough enough to take on any assignment?

No matter what line of work they're in, the **LG X venture** is for them. This smartphone provides *everything they need* to take on each day with confidence and conviction.

Durable Design
Made to Stand Out

Outdoor Essentials
Keep You on Track

Uncompromising Power
To Accomplish It All

Advanced Features
Make Every Day Smarter

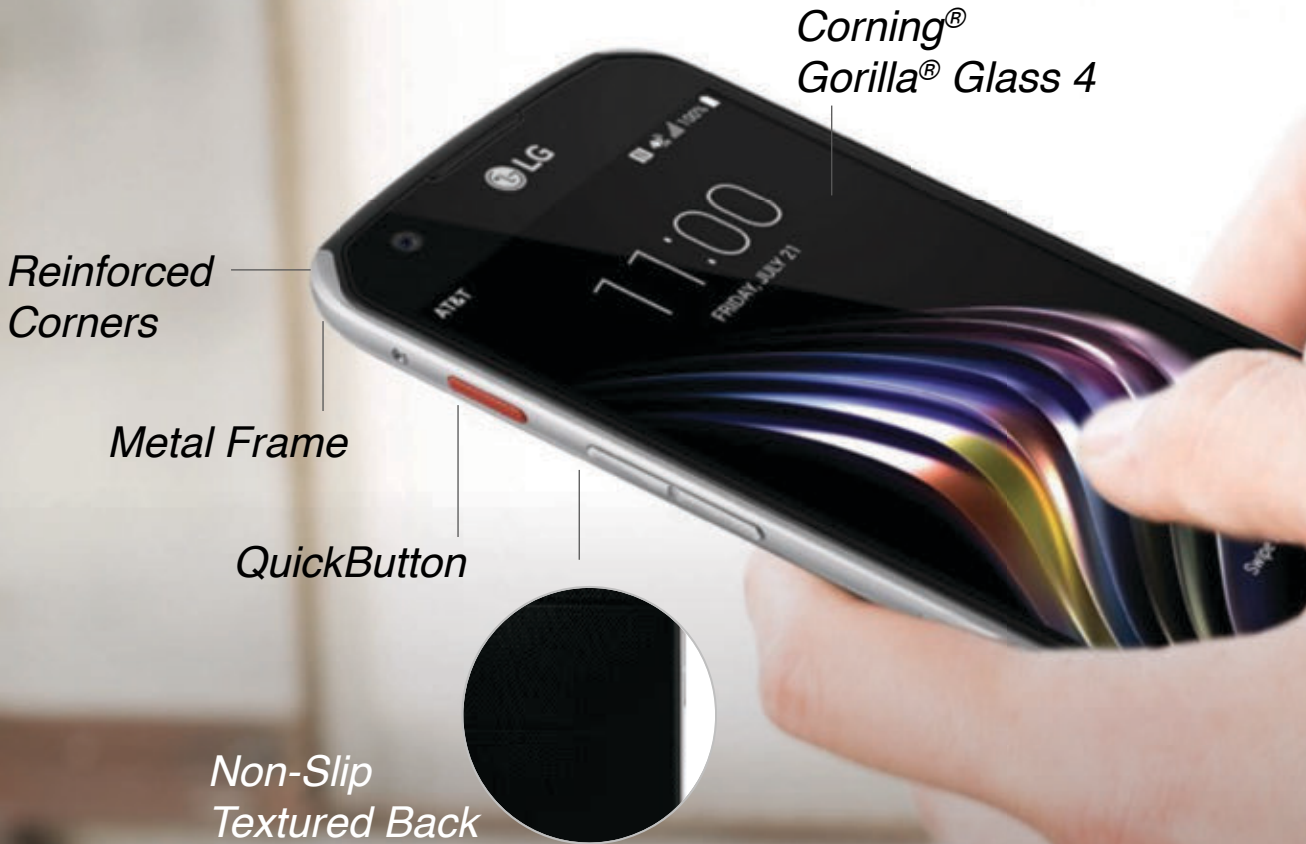

Design

Stylish, Durable Design

Built sleek and strong—
for any project and
every profession.

IP68 Dust and Water Resistant*

Shield against accidental mishaps or extreme elements.

*Tested under controlled laboratory conditions with a rating of IP68 under IEC standard 60529 (Water resistant up to 1.5 meter for 30 minutes). Do not charge the device when wet or after having been exposed to moisture.

Sealed against dust

Water resistant up to 1.5 meters for 30 minutes

Shock Resistant with MIL-STD-810G Testing*

Drop your hesitations—the X venture is military tested to be strong upon impact.

*Passed 14 different MIL-STD 810G Tests for durability conducted by an independent laboratory in U.S. that conforms to U.S. military standards. Device may not perform as tested in all conditions. Test performed in controlled environment. Do not attempt.

DESIGN

*1920 x 1080 Screen
Resolution*

5.2" Full HD Display

See projects,
spreadsheets and
client presentations in
remarkable detail—
pixel-by-pixel.

LG ELECTRONICS MOBILECOMM U.S.A., INC. | CONFIDENTIAL

*Adjusts screen
touch sensitivity*

*Double press
QuickButton to easily
turn on and off*

Glove Mode

Operate the screen
seamlessly, without
removing your work
gloves.*

*Glove Mode results may vary depending on type of glove material. Achieve optimal results with thin material gloves 2 mm or less.

EPTT (Enhanced Push-to-Talk)*

Get instant, one-touch, group communication between dispatchers and the field with the reliability and reach of AT&T EPTT.

* Requires optional AT&T Enhanced Push-to-Talk service.

Communicate instantly one-to-one or in groups of up to 250 members

QuickButton can be programmed for easy access to EPTT

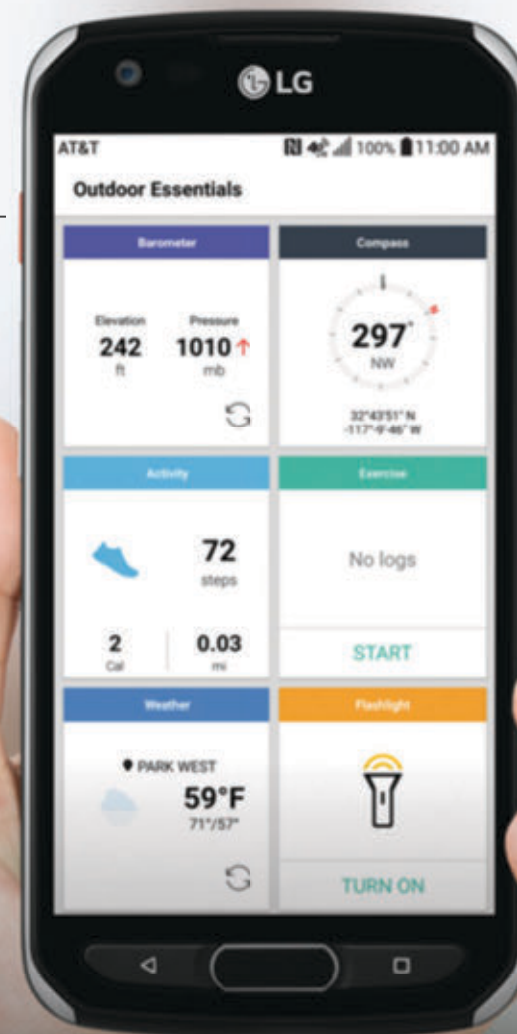

Outdoor Essentials

Outdoor Essentials

Track your health, perform at your peak, and stay motivated—find it all in one place.

Press **QuickButton** once for easy access

LG Health*

Monitor personal goals with activity tracking, coaching, and beginner/advanced modes!

* This device and related software is not intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment or prevention of disease. Consult a doctor before starting an exercise program.

Uncompromising Power

UNCOMPROMISING POWER

Talk Time: up to 24 hours
Standby Time: up to 30.4 days

4,100 mAh Embedded Battery

Conquer your action-packed work day with impressive, lasting power.

UNCOMPROMISING POWER

Qualcomm® Quick Charge™ 2.0

Refuel fast when you need it most—before work, in-between meetings, or after an all-nighter.

*Charge nearly 50%
in up to 48 minutes*

LG ELECTRONICS MOBILECOMM U.S.A., INC. | CONFIDENTIAL

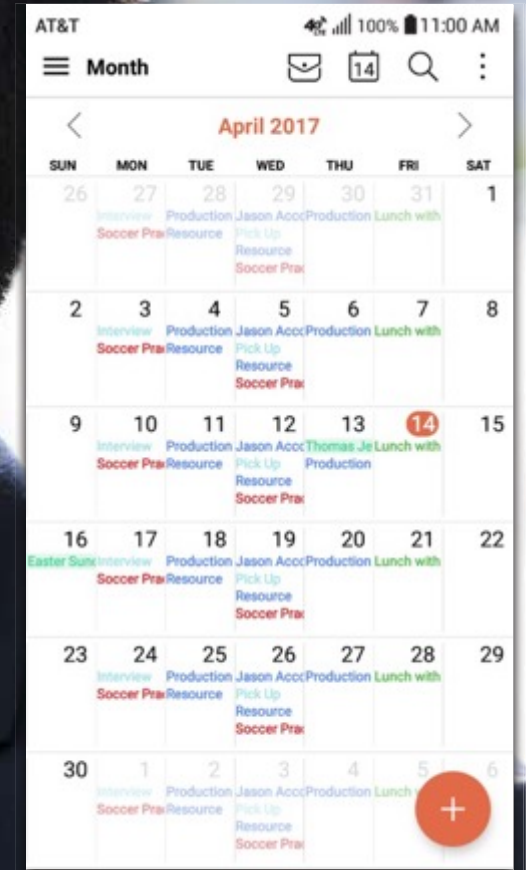

UNCOMPROMISING POWER

Snapdragon™ 435 Octa-Core Processor

Exceptional power allows
you to take on all tasks
and projects with
confidence.

microSD card support up to 2 TB

*Supports superior
connectivity, graphics,
photography, power and
battery efficiency*

LG ELECTRONICS MOBILECOMM U.S.A., INC. | CONFIDENTIAL

Advanced Features

ADVANCED FEATURES

16 MP Rear-Facing Camera

Capture the finest detail in your shots, whether in the field or on location.

*FHD Camcorder
LED Flash
f/2.2 low-light lens*

LG ELECTRONICS MOBILECOMM U.S.A., INC. | CONFIDENTIAL

5 MP Wide-Angle Front-Facing Camera

Get more in every selfie so you can get more coworkers in the group shot—at work or after hours!

Standard Angle

Quick Share

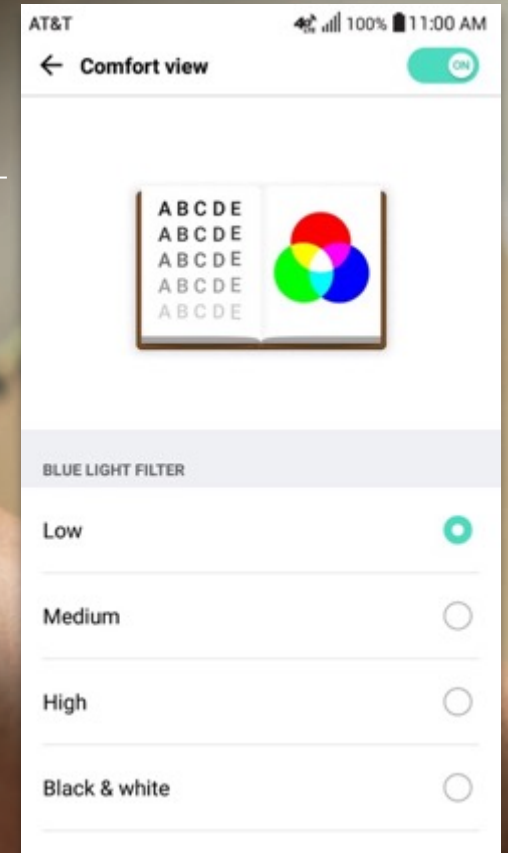

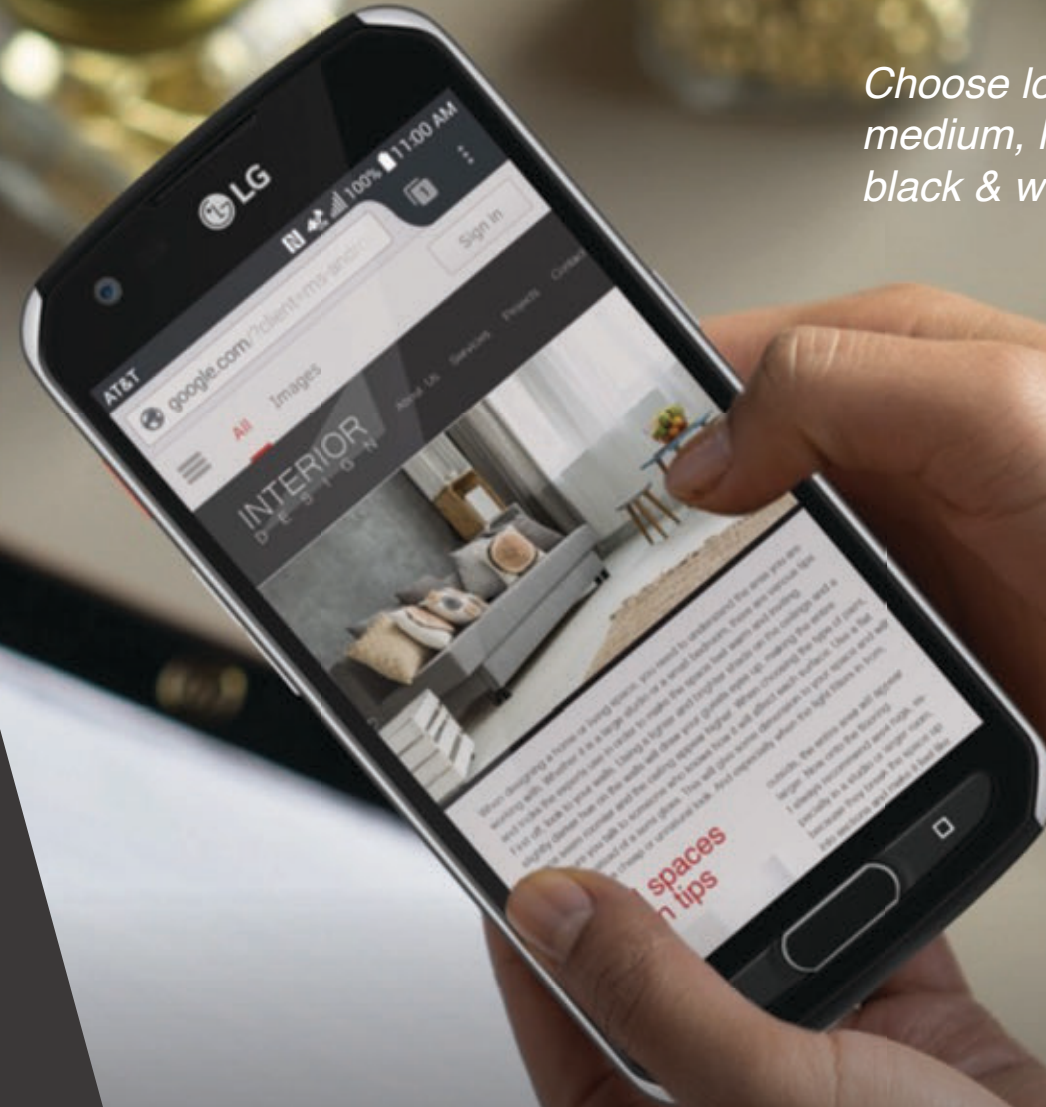

Go from “shoot” to “share”
easier than ever before—
post work updates instantly.

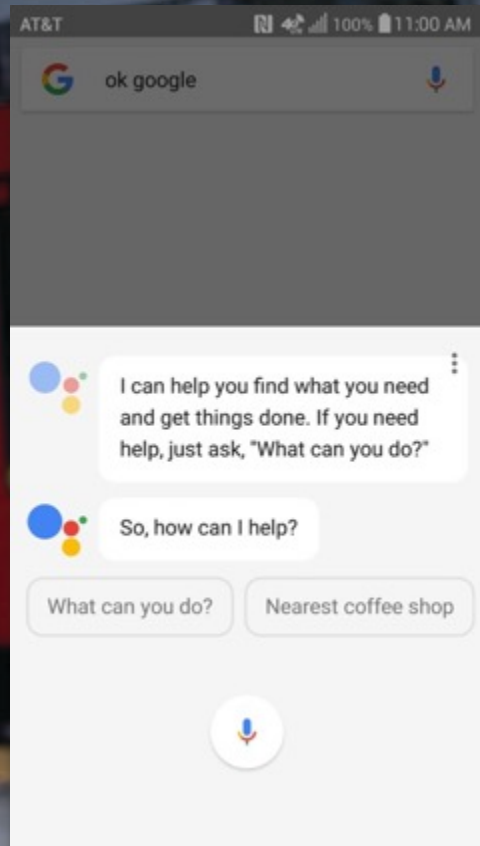

*Choose an icon
from the pop-up tray*

Comfort view

Decreases amount of blue light on the screen, helping reduce eyestrain so you can work longer.

Choose low, medium, high, or black & white

Just say "Ok, Google" or press and hold the home key to get started!

ADVANCED FEATURES

Google® Assistant

Your personal voice secretary comes in handy at work, allowing you to:

Plan the day

Get answers

Manage everyday tasks

Get local info

Access videos and podcasts

Control smart home devices

Android™ 7.0 Nougat

The latest and greatest Android OS provides peak performance and productivity for your business needs.

OTHER NOTABLE BUSINESS FEATURES

Knock On®

Double tap the screen to wake your phone in seconds.

LG Enterprise Solutions

LG  **GATE**

Guarded Access to Enterprise

Today's workforce is mobile, able to create and collaborate from anywhere—and security must be a top priority. **LG GATE** provides peace of mind to your customers by providing a secure and efficient mobile work environment for all users.

LG GATE *Solutions*

LG GATE is comprised of four core technologies that deliver enhanced enterprise solutions, enabling the security and manageability of enterprise data.

Platform
Security

Network
Security

Application
Security

Mobile Device
Management

Platform Security

- **Enhanced Secure Boot**
 - Verified Boot
 - Enhancement – SHA-256, RSA2048
- **Data Protection**
 - Default Data Encryption
 - H/W Accelerated Encryption
 - Enhanced SD card Encryption
- **Key & Certificate Protection**
 - Trust Zone-based Certificate and Key Management
- **SELinux**
 - Enforces MAC (Mandatory Access Control) policy

Network Security

- **Multi-Headed VPN Client Software**
 - FIPS 140-2 Compliant Encryption for Data in Transit
 - Compatible with major VPN Gateways

Mobile Device Management

- **LG MDM API Extensions**
- **Control and protect data and configuration settings**
- **Major MDM vendors such as Mobile Iron, SOTI, SAP, AirWatch, Fiberlink.**
- **Google Android for Work Support**

Application Security

- **Enhanced EAS**
 - Simple Sync – Email, Contacts, Calendar, and Task syncing among devices
 - Secure Email – author determines email permissions (i.e. restrict forwarding, printing, etc.)

**New GATE services implemented with the LG V20 launch.*

Government Certifications

Ready for the highly regulated corporate environment with the highest security standards.

FIPS140-2 CERTIFICATION

- *FIPS (Federal Information Processing Standard) 140-2 Level 1 certification issued by the NIST (National Institute of Standards and Technology).*
- *Meets the US Government security requirements for Cryptographic Modules of Data-In-Transit.*
