

xTablet A1150

Designed to keep pace with the mobile workforce

MobileDemand's Rugged xTablet A1150 is designed for those needing a well-rounded, robust, mobile device that will thrive in nearly any industry. With its high definition sunlight viewable display and hot swappable batteries, it will work as hard as you do, inside or out. Tested and proven rugged with an IP65 seal rating and having passed the MIL-STD-810G drop standard at 5 feet, durability will never be in question. The A1150 is engineered to accommodate additional productivity enhancing peripherals, making it the perfect rugged solution to keep pace with the growth of your mobile workforce.
