ADVANTECH

Enabling an Intelligent Planet

Uninterrupted System Uptime

- Hot-swappable 26WHr battery maximizes operating time
- Up to 6 hours battery life with a charging time of less than 3 hours

Multiple Communication Modules

- Diverse connectivity options for seamless communication
- Real-time data transmissions ensure information synchronization

Application-Oriented Peripherals

- 1D/2D barcode scanner, RJ45+COM module, docking stations, stylus, hand strap, and shoulder strap
- Multiple extension modules ensure convenient operation for various applications

Suitable for Outdoors & Harsh Environments

- High-brightness display for readability in direct sunlight
- Wide operating temperature range (-10 ~ 50 °C/14 ~ 122 °F)
- IP65 rated for protection from dust and water ingress

Intel CPU with Dual OS Support

- Supports Windows 10 IoT & Android 6.0 OS
- Provides versatility for diverse software applications
